

Are you interested in enrolling your child in 4K?

Appleton Area School District families have the ability to enroll their students via an online enrollment process. The online enrollment for families looking to register their students in the Appleton Community 4K program for the 2018-2019 school year will be available on February 5th at 9:00 AM. Families are able to enroll via this system any time after the portal is open.

See the AASD website for registration information.

Parents/guardians of incoming 4K students should complete the online application as soon as possible to increase our ability to meet site assignment preferences.

If you do not have access to a computer or have additional questions please come to the 4K office to enroll between the hours of 8:30 AM and 3:00 PM Monday thru Friday. Although our address is 122 E. College Avenue, our front doors are actually on East Washington Street. Please enter through our front doors on East Washington Street, near Morrison Street, and across from the East ramp. Look for signage directing you to the 4K office.
