

Join the AASD Birth-Five Outreach and Appleton Community 4K for a

BLOCK PARTY

Thursday, October 12, 2023
6:00-7:00 PM
Community Early Learning Center
313 S State St. Appleton

Join us for a FREE night of learning through block play! Research shows that children develop many important skills through block play, including math, creativity, social skills, physical skills, spatial reasoning and more! Activities are geared for children ages birth to five years and their caregivers. Siblings are welcome!

Registration is Required to attend
