

Play with Purpose

Playgroups for children ages birth to five

Join us on Tuesdays from 9:00-10:00 am OR 10:30-11:30 am. This playgroup is designed for caregivers and children ages 0-5. As your child's first teacher you play a key role in their early development. Join us to learn about a child's development and fun ways you can engage them in learning and exploring their world through songs, fingerplays, activities and play.

Registration is required.

This playgroup runs September-November. Please plan to attend all nine sessions. Spots are limited!*

The following information is needed for registration:

- Parent/Caregiver Name
- Child's name and birth date
- Phone number, address, and email

***Note: If you are unable to attend the playgroup that you registered for, please notify us and your spot will be offered to another family on our waitlist.**
