

Appleton Community 4K Sites

2023-2024 School Year

*For families who would like to observe specific teacher directed class time,
we ask that you contact the community site to schedule a separate observation time.

Dunlap		

*AASD Neighborhood School Alignments are located at the bottom of each box. To be considered for transportation eligibility, you must live in the neighborhood school attendance area aligned with the 4K site selected. Transportation will be provided according to AASD K-12 guidelines.

*Many sites will offer wrap-around child care before and/or after 4K sessions; this option is not available at AASD Elementary School host sites, Christian Cooperative, Community Nursery, or Neighborhood Nursery schools. Families may enroll their child in wrap-around childcare at a community based 4K site, knowing that they will be responsible for any charges for care outside the 4K class time. Please contact 4K sites directly for availability and pricing.
